Re: Power Purchase Agreement between Duke Energy Carolinas, LLC and JSD
Flatwood PV-2, LLC, Docket No. 2021-242-E

Dear Ms. Boyd:

I and my firm represent JSD Flatwood PV-2, LLC ("JSD Flatwood") in the subject docket. By this letter, JSD Flatwood wishes to state its explicit support for the Commission's acceptance of the Power Purchase Agreement ("PPA") between it and Duke Energy Carolinas, LLC ("Duke"). On August 2, 2021, Duke submitted for Commission acceptance the fully executed PPA between Duke and JSD Flatwood. As the Commission knows, the JSD Flatwood facility is a small power producer qualifying facility ("QF") with an approximate nameplate capacity of 74 MW.

JSD Flatwood successfully bid to participate in Tranche 2 of the North Carolina Competitive Procurement of Renewable Energy ("CPRE") and is the only South Carolina project selected to do so. The Commission has previously expressed support for allowing QFs like JSD Flatwood to participate in North Carolina's CPRE program. See Order No. 2019-817. In light of the Commission's record, JSD Flatwood requests that the Commission: A) accept the specific PPA submitted here, and B) approve the requested confidential treatment.

Finally, JSD Flatwood requests that the Commission take this matter up at its next scheduled regular business meeting. (The current Commission schedule states that the next regular business meeting is set for September 15, 2021). Thank you for your consideration of this matter. Please contact me for any reason.
